10.30 pm - Hadley: "Jumping To Conclusions" Season 2, Episode 3.
 Hadley is about to go off-duty when he gets a call from an old flame, Dr Maria Denton, now head of a government research unit. Some classified files have gone missing from her state-of-the-art office safe. Her PA, Charles, is the chief suspect since he's the only other staff member who knows the combination. However, he denies everything and there is no proof of his guilt. The next day, he plunges 400 feet to his death from his high-rise apartment. A confession found in his pocket and written in his own hand seems to make it an open-and-shut case. But did he jump or was he pushed? It is up to Hadley to find out.
