9

Watches – The New Generation

A watch used to be something that everyone wanted. But fewer young people wear watches these days – after all, what's the point of having a watch when your smartphone can do the job? However, a new generation of watches – connected watches or smartwatches – is going to change everything. You can take photos with them, receive phone calls, check on your fitness, and that's not all! Too expensive? Not any more. Take a look at the new SmartTime Black from China (smarttime4u.com).

It does everything that its competitors do, but for half the price! What's more, it looks really great on your wrist. And, if you buy one online before 31st October, you get 10% off!

This is not just an article, it is also an advertisement for ….. .

- watches in general
- **a Chinese smartwatch** ✓
- a fashion website
- the latest smartphone
