Emily's diary

Thursday 14th May, 9.15 pm.
It's my big sister Gemma's birthday on Sunday and I don't know what to get her. Mum and Dad are giving her one of those expensive cameras you fix on your helmet when you're skiing or biking. Gemma was never interested in sport before she started dating Andrew last month. He's into extreme sports and very good-looking.

Friday 15th May, 9.30 pm.
I still haven't decided what to get Gemma and there's nothing but rubbish in our local shops. I'll go into London tomorrow and find something.

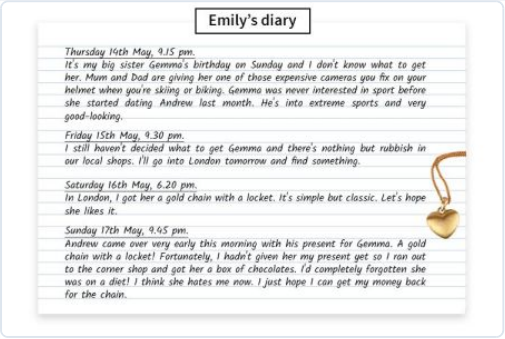

Saturday 16th May, 6.20 pm.
In London, I got her a gold chain with a locket. It's simple but classic. Let's hope she likes it.

Sunday 17th May, 9.45 pm.
Andrew came over very early this morning with his present for Gemma. A gold chain with a locket! Fortunately, I hadn't given her my present yet so I ran out to the corner shop and got her a box of chocolates. I'd completely forgotten she was on a diet! I think she hates me now. I just hope I can get my money back for the chain.

What do we know about Emily and Gemma?

- Emily is older than Gemma.
- Emily's boyfriend is called Andrew.
- **Gemma was born on 17th May.** ✓
- They are never annoyed with each other.

**A local hero!** By Rachel Cathcart, September 12th

People are calling 15-year-old Brian Watson a superhero, but even he admits that he doesn't look anything like one. "I've always been shorter and thinner than other boys of my age," said Brian, who goes to school here in Linston. "I often used to get bullied at school, and girls never looked twice at me. But all that has changed now!"

The event that changed his life happened when he was on holiday in Cornwall with his parents in August. They were on a guided tour of some underground caves with about 20 other people. While they were inside, the roof of the entrance suddenly collapsed and everyone was trapped. They couldn't call for help because no one could get a signal on their phone. However, there was a tiny gap in the rocks that were blocking the entrance. It was too small for anyone to get through – except Brian! He managed to crawl through it, run to the nearest farm and get help.
