Rob, Jess and I had an amazing time at the Tuned In Festival yesterday. It was our first time at a music festival and it won't be the last! Next time I'd like to stay overnight in a tent and go to both days but my parents said I'm too young.

We saw plenty of great acts on the main stage. The biggest surprise was Calista Miles because I've never been a fan of hers. Her voice was incredible live. Everyone in the crowd was singing along to her biggest hits. I even joined in to 'My Heart and You' and normally that song annoys me! The highlight though was a rapper called K-Dex. I didn't know his music before Saturday but I've already downloaded his album.

There were so many people at the festival! The only things that I didn't like was that the food stall prices were expensive and the toilets were pretty smelly by the evening! And I saw that there were long queues to use phone chargers, so next time I'll bring my own portable charger if I stay for the whole weekend.
