Hello,

I am replying to the advertisement on your website for part-time delivery riders, and I hope you will consider my application.

The ad says no experience needed, but I worked for Gino's Pizza Palace just across the road from you for a couple of months last summer, serving and doing deliveries, so I know what it's all about. In fact, Gino asked me to stay on, but he's not an easy man to get on with and his pizzas aren't that great. Yours are awesome.

I understand you pay by the number of deliveries and not by the hour, but are the hours flexible, and is there a minimum age? I'm just 17 and still at school, so I can only work evenings, weekends and during the holidays. And my parents want me always to be home by 10.00 pm. Is that a problem?

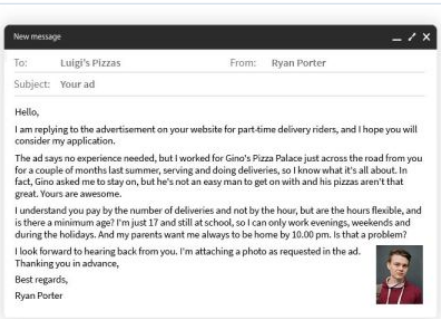

I look forward to hearing back from you. I'm attaching a photo as requested in the ad.
