Hello!

Hello Maria,  
 Thank you for your email. You are my first German pen pal! Do you live in a town or in the country? I live with my parents and two cats in a very old house. It's in the country, not far from Dover, and it's not very big - but I love it because it's got a huge garden with four apple trees and, from my bedroom window, I can see the sea! Tell me about your house and your family, and send me some photos!  
 Love,  
 Lily

My aunt and uncle need help on their strawberry farm this summer. It's only a mile from Tamford. I help them every year - it's hard work but it's great fun too, and they pay you for every kilo of strawberries you pick! You can work for just an hour or two (between 9am and 3pm every day), for a day, a week, a month - you choose! Bring sandwiches for lunch if you work a full day because there are no cafés near the farm. If you're over 14 and you're interested, see me at school or send me an email: [tom.frampton23@mymail.com](mailto:tom.frampton23@mymail.com)
