Dear Mr and Mrs Brown,

My name is Maisie and I live on the same street as you. My mum told me that you need someone to look after your two cats for a week while you are on holiday. I would like to be your pet sitter!

I'll soon be 14 years old. I love all animals but especially cats and dogs. I enjoy playing with cats, so yours won't be bored or lonely while you're away! I have already looked after pets: my gran's dog stayed with us last year when she was in hospital. I fed and I walked him twice a day.

Could you let me know the dates of your holiday? My mum said it was in July but she wasn't sure when exactly. We are going away for the last week in July and the first week in August. I hope this isn't the same time as you!

I could visit them every morning or evening and would charge £5 per visit.

Shakespeare's Globe 21 New Globe Walk, London SE1 9DT

Next to the River Thames is **Shakespeare's Globe**. The Globe is a copy of the theatre where William Shakespeare worked as an actor and a writer. The original theatre (also called The Globe) was destroyed by a fire in the 17th century; this version opened in 1997.

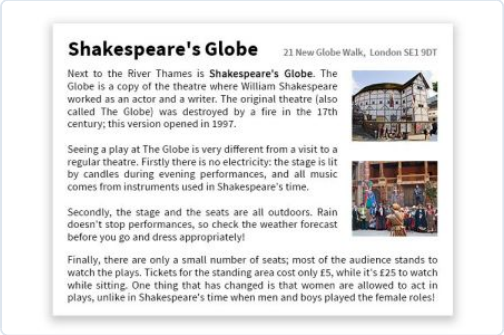

Seeing a play at The Globe is very different from a visit to a regular theatre. Firstly there is no electricity: the stage is lit by candles during evening performances, and all music comes from instruments used in Shakespeare's time.

Secondly, the stage and the seats are all outdoors. Rain doesn't stop performances, so check the weather forecast before you go and dress appropriately!

Finally, there are only a small number of seats; most of the audience stands to watch the plays. Tickets for the standing area cost only £5, while it's £25 to watch while sitting. One thing that has changed is that women are allowed to act in plays, unlike in Shakespeare's time when men and boys played the female roles!
