By William. Saturday 15th April, 4 pm.

Jessica Mason and I are doing a science project together. We planned to work at my house all day on Saturday. Mum and Dad left at 9 and Jessica arrived at 10.

Everything was OK until lunchtime. When I'm alone, I often order a pizza online for lunch. Because Jessica was there, I wanted to do something special, so I cooked steak and chips. But Jessica's a vegetarian, and she never told me! She doesn't like chips either.

Luckily, there was some tomato soup in the fridge, so I microwaved it. When I brought it to her, I dropped the bowl and the hot soup went all over her! She didn't say a word. She just got up and left. I'm sorry, Jessica! It was an accident.
