Subject Damian

Dear Mr and Mrs Gorski,

Your son Damian came to Heathcliff two years ago and most of his teachers are very pleased with his work. He is also one of our best swimmers. Last month, thanks to him, our swimming team won the silver medal in a competition with six local schools.

However, he is not doing well in English. This is because English is not his first language and I know he speaks Polish at home. But English is an important subject and, if he wants to pass his exams next year and go to university, he must do better – and I think he can. One of our English teachers gives private lessons in the evenings. If you are interested, please let me know and I'll ask him to contact you.
