My name is Olivia. I'm twelve years old and I live in a village in Devon, in the south of England. My brother is called Theo. He's seven. We have a dog called Chester. He's black and he's quite old – he's eleven. I surf every weekend in the summer. I'm in the basketball team at school. We practise every Monday and Thursday after school. My favourite food is chocolate ice cream. I don't like fish.

I'm Ben and I'm eleven. I live in San Francisco. It's a really big city in California. I have a brown and white guinea pig called Loki. I don't have any brothers or sisters. I like reading comic books, and I like drawing too. I play a lot of video games online with my friends after school. At the weekend, we visit my grandparents. I love chocolate chip cookies. I hate vegetable soup.

My name's Liam and I'm from Canada. I'm twelve and I live in the city of Toronto. I have a brother, Noah, who is fourteen and a sister, Sophia, who is nine. I don't have any pets. I play the guitar every day. I also ride my bike a lot but not in winter. My favourite thing to do at the weekend is to go to the movies with my friends and eat popcorn. We like superhero movies.
