Have you heard of Escape Rooms? I had no idea what they were until I went to one this morning. I was invited by my cousin Jeff and his friends and we had an amazing time. The idea is that you are locked in a room – there can be from 8 to 10 of you. You are given things to do – like finding the answers to puzzles. If you do everything right, you find the key to get out. But you mustn't take more than an hour. You can choose from about a dozen themes: horror, science fiction, magic… We chose "crime" and had to find out who kidnapped a millionaire's son from his bedroom (see the picture). It was hard but I haven't enjoyed myself so much in ages. We got out in 57 minutes! I can't wait to do it again. Anyone interested in making up a group? It's £25 per person.
